

Swoon Lounge Armchair

Designed By Space Copenhagen, 2016

Swoon is a modern lounge chair with a sculptured shape and a casual and laid-back expression. Its organic curves allows for many seating postures, thus making it perfect for lobbies, receptions and break-out areas, where versatile use is in focus. Space Copenhagen designed the chair to fill the gap between traditional lounge chairs and larger easy chairs – the result is a less formal typology with a recognisable and contemporary character.
