

GUNNI & TRENTINO

GUNNI & TRENTINO is a 40 year old leading Spanish firm with wide international experience, specialised in high end decoration.

The firm supplies all type of products for home equipment and provides interior design services to private clients, property developers and hoteliers. GUNNI & TRENTINO creates unique quality projects offering bespoke, personalised designs.

Their dedicated team of talented decorators and architects design exceptional interiors, whether classic, contemporary, cutting edge, or a balanced blend of styles.

The company is structured in two main divisions: Retail –with their own branded stores in Marbella, Madrid, Barcelona and Bilbao and Contract - with over 100 projects executed in more than 10 different countries - hotels, offices, civil works and residential.

GUNNI & TRENTINO has its own manufacturing and branded products in the Kitchen, Closets & Wardrobes, Bathroom, Natural Stone and Wood categories. The firm is also the official distributor of the best design brands in the world: B&B Italia, Maxalto, Fendi Casa, Kenzo Casa, Cassina, Poltrona Frau, Flexform, Poliform, Roda, Armani Casa, Dombracht, Devon&Devon, Agape, Artemide, Baccarat, etc.

A bit of history

The firm was founded in Spain 40 years ago. The result of a most successful merger between two family-owned companies, GUNNI & TRENTINO is a blend of the experience and savoir-faire of both founding firms.

A cosmopolitan taste, a team of experienced professionals committed to excellence, a love for detail, a modern understanding of what luxury means, and a client oriented service have done the rest. Founders like to believe they are building on a heritage that adds value to the firm's long-lasting brand.

International reach

GUNNI & TRENTINO has a strong track record in international projects in Europe, Asia, the Middle East and Latin America. Their international Contract practice is in constant expansion. The firm works with certified transport operators to ensure top quality delivery, and can provide their own installation services all over the world.

International Offices in: Bogotá, Caracas, Doha, Kuwait City, Guatemala City and Miami.
