Ogni lavabo è progettato con quella cura e quella ricerca che vanno tributati a un pezzo unico. I diversi materiali impiegati e le molteplici versioni raccontano una forte identità che si esprime con l'armonia alle forme e delle dimensioni. Lavabi che vivono con le collezioni Falper, o anche autonomamente / Each washbasin is carefully designed with the research that is due to a unique item. The different materials used and many alternative versions tell of a strong identity expressed through the harmony, designs and dimensions. Washbasins that live with the Falper collections, or stand alone as individual pieces.
