

# EXQUISITE FLOORINGS

An outstanding combination of quality and design

# G

**UNNI&TRENTINO** recently launched its **brand new Wood Division**. The firm presents a collection of over **300 references of wood types and finishing**, together with endless possibilities in floor design and the largest formats in the market. Every store has its Wood section, where customers can take their time, see samples

and know everything about the product.

A specialized division where **GUNNI&TRENTINO's** savvy team will give you expert advice for all kinds of projects. Oak, Walnut, Chestnut, Iroko, Wengué, Teak, Elm, Larch, Merbau, whether rustic, exotic or classical in their finishing, natural or subtly coloured... A wide choice of exquisite floorings is at hand to **make all the difference in decorating your home.**
